#### Technical info

##### VITICULTURE

Selection of our own vineyards in Pajares de los Oteros to produce this rosé with the traditional "madreo" system. This area is a plateau at 810 m. above sea level with continental climate and extreme temperatures.

Soil: deep, sandy-gravelly, loamy with pebbles (soil rather acid & strong)  
Age of vines: Over 90 years old

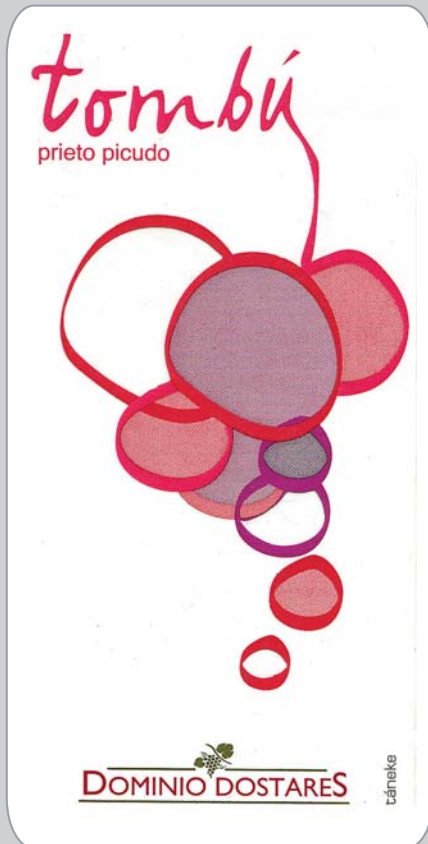

Pruning: Guyot (traditionally used to grow like a creeping plant)  
Harvest: Handpicked in small crates (15 kg) and manual selection on the sorting table  
Varietal blend: Prieto Picudo 100%

Pre-fermentation maceration: 24 hours at 5°C  
Cold settling: 24 hours at 5°C  
Alcoholic fermentation:  
- Duration: 22 days  
- Temperature: 14°C  
- Madreo: consists in adding during the alcoholic fermentation intact bunches perfectly healthy of the same varietal in a proportion of approximately 5% of the total volume produced.  
Malolactic fermentation: No

Analysis:  
Alcoholic content: 13,5°C  
Total acidity: 5,5 g/l  
Residual sugar: <2 g/l  
Ph:3,30

Clarification method: Bentonite and Gelatin  
Filtration: Earth and sterilizing filter.

### Tasting notes

Beautiful raspberry-red colour. Clear and bright. Intense and frank and fruity nose of fresh red fruit with red floral notes coming through. Powerful, round and fresh with an elegant after-taste and a lingering finish.
