

DOMINIO DE TARES

# SONRISA 2025

PARAJE DE LA MAGDALENA

---

## AN EVERYDAY PLEASURE

---

In the heart of **El Bierzo**, on a historic 14-hectare estate planted entirely with **Godello**, Sonrisa is born.

The **La Magdalena vineyard site** is a unique enclave, where the Romans once established one of their settlements and where today gentle, sunlit hills stretch out, well ventilated and surrounded by a bucolic landscape.

Located at **550 metres above sea level**, on healthy, perfectly drained soils of **clay, slate and gneiss**, this estate gives the wine a bright, refined and profound expression.

The combination of altitude, aspect and soil results in a Godello with **an elegant, precise nose, a flavourful, enveloping palate**, and a complexity that unfolds naturally and without weight.

Harvesting is carried out delicately, and the spontaneous fermentation — long and unhurried — lasts for 90 days, allowing the wine to express faithfully the place it comes from. **Ageing on fine lees** provides texture, balance and a depth that defines the character of Sonrisa.

Sonrisa 2025 is the most honest and luminous interpretation of La Magdalena: **a wine that brings together history, landscape and emotion.**
